

Ecological actions

Water : What can you do to save water ?

- 1- Turn Off the Faucet While Brushing Your Teeth.
- 2- Take showers.
- 3- Check faucets, pipes and toilets for leaks.
- 4- Use your dishwasher and clothes washer for only full loads.
- 5- Use rainwater for watering plants.

Ok, I love
It !

Pollution: What can you do to reduce pollution ?

- 1 - Plant a tree.
- 2 - Buy food in bulk instead of in small packages.
- 3 - Only use your car when you need to. Walk or ride a bicycle when you can or car pool when possible.
- 4- Do waste sorting.
- 5- Recycle paper, glass, plastic and organic waste.

Plant a tree to renew
oxygen.

Electricity : What can you do to use less electricity ?

- 1- Use less electricity.
- 2- Lower the thermometer in the winter and raise it in the summer, even if it's just by a few degrees.
- 3- Turn off lights and all electronics (like computers, televisions, stereos, and video-games) when you leave a room.
- 4 - Open your blinds or curtains on sunny winter days to let the sun shine into your home.
